PROFESSIONAL EXPERIENCE

Educator / Mentor *Prison Education Project*

- Delivered weekly educational presentations for 9 weeks to displaced youth within Ventura County, providing valuable insights and support to foster their personal and academic development.
- Conducted extensive research to identify and curate a diverse range of resources in support of nonprofit organization's educational initiatives
- Delivered presentations on the practical application of non-traditionally developed skills and shared personal experiences to educate and inspire, earning recognition as a top performer within the organization for impactful contributions

Keynote Speaker / Panelist *Olive Crest*

- Delivered a compelling speech at a Pick-A-Purse sharing my personal story and testimony, which played a significant role in helping raise over \$100,000 in just a few hours
- Allowed release of a short documentary detailing key points in my life which has been featured at several fundraising events, resulting in record-breaking contributions from donors
- Collaborated with executive directors across three counties in strategic meetings to contribute to the development of fundraising strategies, including cause marketing, campaign design, and donor engagement techniques
- Invited to speak at fundraising events across three counties after the organizations recognized the value of my ability to articulate my personal experience before, during, and after their involvement, enhancing the audiences' understanding of their outreach and impact

Professional Speaking *Independent*

- Participated in board meetings with the National Football League (NFL) to provide insights on supporting foster youth in building professional relationships and launching careers post-placement, contributing ideas drawn from both personal experience and professional expertise
 - Contracted to travel to Scotland in May 2025 to speak with the displaced community, sharing insights and experiences based on my unique talents and abilities to inspire and empower
 - Chosen as the central focus of a national campaign based on my personal story and nearly a decade of accomplishments, after the organization recognized the potential impact and profitability of sharing my testimony to support their nonprofit initiatives
-
